

Welcome to Miss Kim's Web Page

February News

In February, we will cover topics such as HONESTY, dinosaurs, and President's Day. It is also Dental Health Month and we will discuss ways to keep our teeth healthy. We are moving on to letters N, O, & P as well as the number 6. Please continue to work on letter and number recognition at home. The shape of the month is Heart and our colors this month are red and pink.

We will have our Valentine's Day celebration on Wednesday, February 14th.

All students are welcome to send in Valentine cards as long as there is one sent in for every child (23). Please don't address them. Just have your child sign the cards, so they are easier to distribute.

Dates to remember.....
