

Welcome to Miss Kim's Web Page

October News

Please be aware that our milk program begins Monday, October 1st.

Only children who have pre-ordered will receive milk.

Also, the last day of Summer Uniforms is Friday, October 12th.

Please be sure all children are in winter uniforms on the following Monday.
(navy sweat pants & sweat shirt, light blue St. Anne shirt and SNEAKERS!)

We continue on our journey through the alphabet. We will be covering letters C, D, and E. The kids have so much fun coming up with new words starting with each letter. The number of the month is two. The number two is usually a challenge for most, but with our number poem they will learn it with ease. As they practice writing the number, they will recite "around and over is what you do, that's the way to make a two". The poems are a fun way of learning our numbers.

Our shape this month is square and our colors are black and orange.

Refer to our monthly themes and topics for a full curriculum.

It is very important to strengthen their fine motor skills, so please sit with your child and practice each letter and number at home.

Dates to Remember.....
