October News

Please be aware that our hot lunch and milk programs have begun. Only children who have pre-ordered may receive lunch and/or milk. If you did not order, please make sure you send something in with your child. If you are unsure, please don't hesitate to ask. There are a couple of children coming to school with no drink for lunch.

We continue on our journey through the alphabet. We will be covering letters C, D, and E. The kids have so much fun coming up with new words starting with each letter. The number of the month is two. The number two is usually a challenge for most, but with our number poem they will learn it with ease. As they practice writing the number, they will recite "around and over is what you do, that's the way to make a two". It is a fun way of learning our numbers. Our shape this month is a square and our colors are black and orange.

Refer to our monthly theme paper for a full curriculum.
